

## **ZELL AM SEE-KAPRUN APP**

### YOUR DIGITAL HOLIDAY COMPANION

#### **Tips for using the Zell am See-Kaprun App**

Do you want to know exactly what's going on, when and where during your holiday? What the weather will be during the day, and what event is on in the evening? Where shopping is best, and which cable cars are in operation? You can find out all this at a glance with the Zell am See-Kaprun App - it is the perfect companion for your winter holiday between glacier, mountain, and lake.

- **Getting the most out of registration**

Some of the Zell am See-Kaprun App's features can only be used by registered users, including:

- Managing digital cards: your Guest Mobility Ticket and your digital Guest Card are stored directly in the app's digital wallet.
- The purchase of experience tickets: Ski passes and mountain railway access without waiting time? Buy tickets for the highlights directly in the app.
- Create a watch list: Mark your favourite experiences with a heart and save them for later.

- **Also available without registration**

Unregistered users can load the mountain lift tickets they purchased in the online shops of Schmittenhöhe or Gletscherbahnen Kaprun into the Zell am See-Kaprun app as a Smartphone Ticket and activate them in the guest wallet.
