### FROM THE MAISKOGEL FAMILY MOUNTAIN TO GIPFELWELT 3000 ON THE KITZSTEINHORN

A family experience is the ride on the ultra-modern 3K K-ONNECTION from the Maiskogel to the Kitzsteinhorn. Offering a view from the perspective of an eagle, the gondolas glide uphill through four climate zones to the Gipfelwelt 3000 excursion destination, which is open all year round. The Kitzsteinhorn Explorer Tour takes place as part of the weekly programme. This tour includes uphill and downhill ride as well as easy hikes and excursions accompanied by a national park ranger. The Maiskogel family mountain in Kaprun convinces with gentle and blue pistes that lead downhill to the centre of the village. ### THE SCHMITTENHÖHE AS PANORAMA AND FAMILY MOUNTAIN

The star of the Schmittenhöhe panorama and family ski resort is Schmidolin, the coolest dragon in the world. Keep your eyes open, and you'll discover him on the kids slope or in the Dragon Park. In Schmidolin's World of Adventure, the youngest learn how to do "pizza" and "fries" in a playful way.

### WINTER ADVENTURE WORLDS AND SNOW PARKS

In addition to Schmidolin's dragon-power adventure world, the Maisi Park on the Maiskogel at the foot of the Kitzsteinhorn also provides lots of fun: wave runs and small ramps are the

perfect preparation for the bigger snow parks. Speaking of bigger: the snow parks on the Kitzsteinhorn are the ultimate freestyle playground! The location between 2,500 and 2,900 metres above sea level, the perfect lift connection as well as the daily maintenance make the snow parks the place to be for kids, teenagers and pros - and all that with top snow quality.

### **EAGLE LINE ON THE KITZSTEINHORN AND FUN SLOPE ON THE SCHMITTENHÖHE**
